

# AALC Support & Sponsorship Opportunities 2024

Support the Affordable Assisted Living Coalition (AALC) in promoting the Illinois Supportive Living Program (SLP) for seniors and those with disabilities. AALC, a non-profit representing 130+ SLP communities, is Illinois' top advocate for Affordable Assisted Living.

AALC depends on backing from its SLP community and vendor members to drive legislative efforts, offer educational opportunities, and develop programs for residents to lead fulfilling lives.
